Sir:

RESPONSE TO OFFICE COMMUNICATION

In response to the Office communication (copy attached) mailed March 9 2004, the period of response being within the permitted one month up to and including April 9 2004, applicant re-submits the schedule of revised and annotated claims and the schedule of clean claims, edited to list all claims including all those deleted.

During a conversation with Ms Deborah Pollard, legal instruments examiner, she indicated that the first tick mark on the Office form may have been made in error and that the matter requiring attention was the incomplete list of claims.

Please contact me if there are any questions.
